INFORMATION DISCLOSURE STATEMENT

Dear Sir:

As required by 37 C.F.R. § 1.56, the references cited on attached Form P PTO-SB/08A and/or Form PTO/SB/08B, and any copies of references provided as required under 37 C.F.R. § 1.97 and 37 C.F.R. § 1.98 are being called to the attention of the Examiner. The best available copies of all the foreign and non-patent literature references cited in the attached forms are submitted herewith.

The above information is presented so that the U.S. Patent and Trademark Office may determine any materiality thereof to the claimed invention. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that these references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. See 37 C.F.R. § 1.104(a).

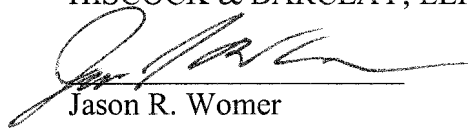

As provided for by 37 C.F.R. § 1.97(h), no inference should be made that the information and references cited are material to patentability. Also, no inference should be made that a reference is prior art merely because it is included in this statement. Under 37 C.F.R. § 1.97(g), the submission of an Information Disclosure Statement should not be considered as

representation that a search has been made. Applicants understand that the Examiner will make an independent evaluation of the cited publications.

Applicants and their legal representatives hereby indicate that, as required by 37 C.F.R. § 1.97(e)(1), that at least one item of information contained in the information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement.

Respectfully submitted,
